## Hollyhill Library - FAQ for Groups and Classes

### What's On Offer?

- Timetable of weekly class visits to borrow books
- Once off visits for introduction to library services
- Block loans for use in the classroom
- Events e.g. author visits, arts and crafts, lectures

### What size group can I bring?

Due to space constraints the City Council Fire Officer has stipulated that groups visiting the library **should be no more than 15 in number.**

### My class is doing a project, can you help?

We lend a wide range of material to help with projects. We also run instruction sessions for groups in how to use the library catalogue and how to find information on the internet. People working on projects can use the public computers to type and print their work, or use the internet for research. If you are doing a project, please tell us in advance so we can bring suitable books out of storage if necessary.

### Can I borrow books to use in the classroom?

If you are unable to bring your class, you are welcome to set up a block loan membership to borrow a box of books to use in your classroom. There is no charge for this membership. Ring us in advance to book your visit.
